| 5. Interior Siren                 | <b>FREE WITH MONITORING SERVICE</b> |

- We are not kidding all of the above is FREE with no cost for equipment
- Save up to 20% on your Homeowners insurance with a security system
- There is NO installation fee either, it is also FREE
- If you move we will move with you for FREE

How can you go wrong when everything is FREE? We come right to your door and do the entire installation for our basic system and there is no charge for equipment, for installation and you even can save up to 20% on your Home owners insurance!

It just can't get any better than that and when you think about it, the savings on your Home Owners insurance will be very close to what you pay for the monitoring service so the whole system INCLUDING monitoring could end up being FREE!

Don't delay because this FREE offer may not last long and you want to take advantage of it while it is still available. Call your Agent TODAY and setup an appointment for us to come out to your home and install your Basic system for FREE!
